# VKD JEWELS

Dear Friends and Clients,

We hope you are doing well during these special times and are happy to present you with a “Summer Edition” of unique and carefully selected jewels.

During this past year we have started designing a new collection of rings and other jewels using only the finest ethically sourced materials. Each piece is made by hand employing classic and modern metalsmithing techniques. Now we are very proud to present you our first two rings: “**Petalino**” and “**Incisio**”. Elegant, powerful and feminine, a beautiful combination that we hope you will enjoy.

Should you wish to schedule a virtual appointment, a phone call or if you have any questions, please do not hesitate to contact us.

In addition to this we welcome you to look through our instagram account **@vkdjewels** for a broader selection of jewellery.

Wishing you a lovely summer and looking forward to seeing you online or in person soon.
